SUNSCREEN AUTHORIZATION FORM

The Living Wisdom School is aware of how damaging UV rays from the sun can be to your child's skin. LWS will provide a hypoallergenic sunscreen in spray form with at least an SPF of 30 or higher for participating campers.

It is the parents' responsibility to apply sunscreen to their child before sending their child to camp in the morning. However, children who stay for the afternoon sessions of camp will be applied sunscreen by summer staff after lunch.

If parents would like to provide an alternative sunscreen, it must be in the original container labeled with the child's name and must be current.

A sunscreen authorization form must be on file in order for staff to administer sunscreen. If no form is completed, our staff will not apply sunscreen. This permission slip will be valid for as long as your child is enrolled in Summer Fun Program or until a written request is submitted to nullify the above stated terms.

Please choose one:

- Please apply the camp supplied sunscreen
- I will provide my own sunscreen.
- I do NOT authorize LWS camp to apply any sunscreen.

Known allergies/reactions to sunscreen:

I, _____ (guardian), authorize The Living Wisdom Staff to apply
sunscreen designated above to _____ (Child), and agree to the
above terms stated in this policy.
